

IPACON 2021

I PREVENT AMPUTATION

24TH - 25TH JULY 2021 | ON VIRTUAL PLATFORM

Gurleen Suri, Podiatrist from Northampton University UK and now Practicing Clinical Podiatry at Mercycare NHS, Liverpool will be presenting on Skin disorders in Podiatric care which is very important in our day to day clinical practice in foot and leg. Gurleen is Member of Royal College of Podiatry, UK and has special interest in Wound care , Biomechanics and Offloading Techniques in Diabetic Foot.

She has presented multiple papers on Malignant Melanoma. We hope she will give a good take home message to all IPACON 2021 Delegates

Dr. Gurleen Suri
